LOGAN'S LITTLE WARRIORS

ONE CUP, ONE CAUSE, ONE COMMUNITY

A Beautiful Afternoon of Purpose at Connie Van Realty Group's Tea Party Fundraiser

On a sun-filled Sunday afternoon, our community gathered for something truly special, a Tea Party that was equal parts elegant, heartfelt, and impactful. Surrounded by blooming florals, beautifully set tables, and the warmth of meaningful connection, guests came together with a shared purpose: to support the youth in our community through Logan's Little Warriors.

From the moment guests arrived, the atmosphere was inviting and intentional. Tables were thoughtfully curated with delicate teacups, soft linens, and touches of blue that reflected the heart of our mission. Every detail created a space where people could slow down, sip, savor, and connect; not just with each other, but with a cause that change lives.

The afternoon was filled with laughter, connection, and a shared sense of purpose. Guests enjoyed a beautiful spread of tea-time favorites as the community came together in a meaningful way.

What made the day truly unforgettable was the feeling in the air, connection, generosity, and purpose all woven together. People showed up not just to attend, but to be part of something bigger.

A highlight of the day was the presentation of a generous \$5,000 donation to Logan's Little Warriors. This moment reflected more than generosity. It showed a belief in equipping our youth with confidence, life skills, and inner strength. Another highlight was when our Vice President, Candace De Leon, gave a wonderful speech reminding us the importance of our mission and the significance of community.

Because of events like this, we can continue growing our programs and reaching more kids and families. Every conversation, every seat, and every contribution moves this mission forward.

A Special Thank You

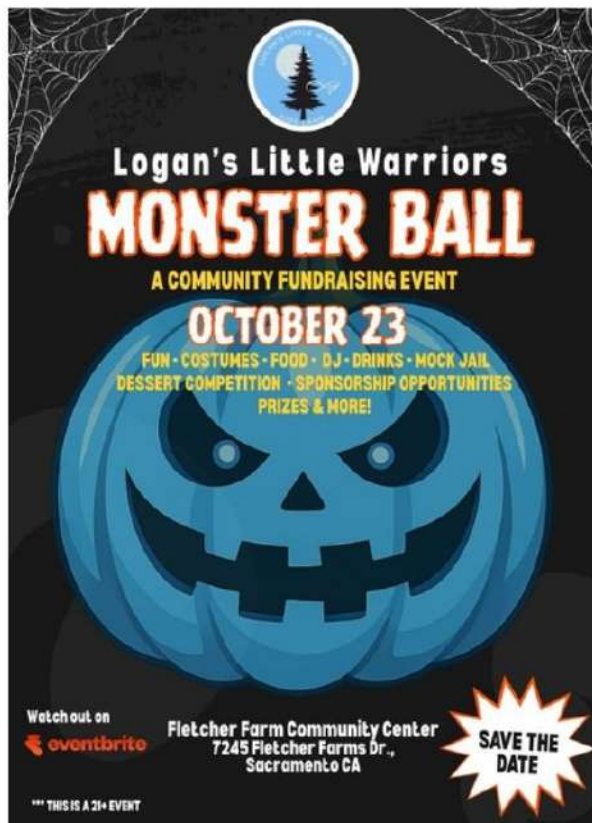

A heartfelt thank you to Connie Van and her group for bringing this event to life. Your vision, generosity, and attention to detail created an experience that was not only beautiful, but deeply meaningful. Because of you, this Tea Party became more than just an afternoon gathering; it became an opportunity to make a real difference.

We are incredibly grateful for your heart for this mission and for the impact you have made on the lives of the community we serve.

Founder's Message

Thank you for being part of Logan's Little Warriors. Your support allows us to serve our community, host events, and advocate for kids and youth who need encouragement and opportunity.

We hope you will join us at our upcoming events and see the impact firsthand. These gatherings bring our community together and create space for connection, support, and renewed hope.

You can also support our work by becoming an event sponsor. Your partnership helps us advocate for kids and youth, expand our programs, and create more opportunities for them to grow, heal, and succeed.

Thank you for believing in our mission. We are stronger because of you.
