2025 YEARENDER

WHAT A YEAR!

This year has been fun, fruitful, and truly successful for Logan's Little Warriors. Not only did our participants learn, grow, and explore through our various events and activities- we, as an organization, also learned a great deal. Each workshop, outreach, and gathering taught us something new about community, resilience, and the power of creating meaningful experiences for children and families.

Throughout the year, we strengthened our programs, expanded our reach, and deepened our commitment to making every activity purposeful and memorable. These achievements would not have been possible without the incredible support of our sponsors, partners, and donors. Your contributions empowered us to bring educational experiences, fun events, and new learning opportunities to the children we serve.

We also extend our heartfelt appreciation to our volunteers. Your time, energy, and dedication played a vital role in every successful event. Whether you were assisting behind the scenes, helping during activities, or offering guidance and encouragement to the kids, you made a difference in more ways than one.

As we close out the year, we celebrate the milestones we've achieved together and look forward to even greater opportunities to serve, inspire, and uplift our little warriors in the coming year. Thank you for being part of this journey. Together, we make a difference—one child, one event, one moment at a time.

OUR SECOND TOURNAMENT WAS A SMASH!

This year's Pickleball Tournament was an exciting highlight for Logan's Little Warriors, bringing together families, supporters, and community members for a day of fun, friendly competition, and purpose. Held at the Cosumnes Pickleball & Tennis Facility, the event provided the perfect space for players of all ages and skill levels to enjoy the sport while supporting a meaningful cause.

Now in its second year, the tournament showcased not only the growing enthusiasm for pickleball but also the strong community spirit that continues to fuel our mission. Participants—some returning from last year, others playing for the first time—filled the courts with energy and enthusiasm. The atmosphere was vibrant, as players supported one another and celebrated both big and small victories throughout the day.

Beyond the matches, the event created an opportunity for families to connect, kids to have fun, and supporters to come together in a shared purpose. We are deeply grateful to our sponsors, volunteers, donors, and everyone who helped make the tournament a success. Your commitment ensures that events like this continue to inspire and uplift the children we serve.

The success of the 2nd Annual Pickleball Tournament reflects the strength of our community and our shared dedication to making a positive impact. We look forward to continuing this tradition and seeing it grow even stronger in the years ahead. Together, we play, we connect, and we empower our Little Warriors.

FUN AND MORE!

The Logan's Little Warriors Kids Camp was a wonderful success, filled with laughter, learning, and meaningful moments for both kids and their families. Designed as a day camp experience, the program brought everyone together for a fun and engaging day focused on confidence-building, creativity, and connection.

Throughout the event, children participated in interactive activities that encouraged self-expression, teamwork, and personal growth. It was inspiring to see the kids step outside their comfort zones, try new things, and support one another along the way. Families were actively involved as well, creating a positive and welcoming environment that made the day even more special.

Most importantly, the camp provided a space where kids felt safe, valued, and empowered. By the end of the day, it was clear that everyone walked away having fun and learning a lot—not just new skills, but also confidence, resilience, and the joy of being part of a supportive community.

We are grateful to our volunteers, supporters, and families who helped make this Kids Camp such a memorable and impactful experience. Moments like these remind us why we do what we do—for our Little Warriors and the bright futures ahead of them.

A HOME RUN DAY FOR OUR WARRIORS

Thanks to the incredible generosity of our community, Logan's Little Warriors successfully took 10 brave kids to the ballpark for an unforgettable game-day experience — and it truly was a home run!

From tailgating fun to the excitement of first pitch at Sutter Health Park, our Warriors experienced more than just a baseball game. They shared smiles, laughter, treats, and moments of pure joy — the kind of memories that build confidence, hope, and connection.

This special day was made possible by our sponsors and supporters who stepped up to be true game-day heroes. Not only did your sponsorship provide tickets and experiences for the children attending, but a portion of the proceeds also helps support Logan's Little Warriors' ongoing programs for at-risk kids throughout our community.

We are beyond grateful for everyone who helped make this day magical. Experiences like these remind our kids that they are seen, valued, and supported — and that they are never alone.

Thank you for helping us create memories that matter.

MAKING WAVES IN THE COMMUNITY

Logan's Little Warriors had an amazing Community Pool Day at the Elk Grove Aquatics Center, and it was a huge success!

Children and their families spent the day splashing, swimming, laughing, and simply enjoying time together in a safe, fun, and welcoming space. From carefree play in the pool to shared moments of joy on the pool deck, the day was filled with smiles and meaningful connection.

Events like Community Pool Day are about more than fun — they create opportunities for kids and families to relax, build friendships, and feel supported by a community that truly cares. Seeing families connect, kids gain confidence in the water, and everyone leave with full hearts reminded us why our mission matters.

We are incredibly grateful to the Elk Grove Aquatics Center and to everyone who joined us to make this day so special. Thank you for helping us create memories that matter and for being part of the Logan's Little Warriors community.

AWAKEN THE WARRIOR: A MORNING THAT INSPIRED AND TRANSFORMED

Logan's Little Warriors proudly hosted Awaken the Warrior, a powerful and deeply inspiring fundraising event that left every attendee energized, motivated, and fulfilled.

Held at the Mack Powell Event Center, the morning brought together community leaders, supporters, and changemakers for an unforgettable experience featuring Hal Elrod, international best-selling author of *The Miracle Morning*. From meaningful networking to Hal's impactful keynote, attendees were reminded of the power of daily habits, mindset, and purpose — and how small, intentional actions can truly transform lives.

The event flowed seamlessly from connection and inspiration to reflection and action. Guests enjoyed book signings, a collaborative mastermind session, and a shared lunch, creating space not only to learn but to connect on a deeper level. The energy in the room was uplifting, empowering, and aligned with the heart of Logan's Little Warriors.

Most importantly, Awaken the Warrior directly supported our mission to help children build confidence, emotional resilience, and life skills — ensuring that every child has the opportunity to create a life filled with hope and possibility.

We are incredibly grateful to our sponsors, partners, and attendees who made this event such a success. Together, we didn't just host an event — we sparked inspiration, strengthened community, and awakened the warrior within.

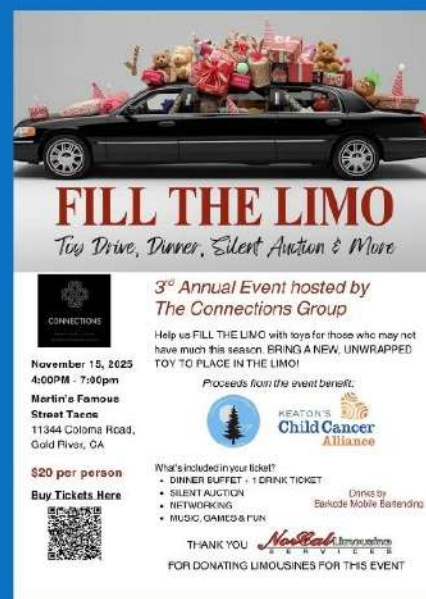

BUILDING FUTURES, ONE TEEN AT A TIME

Logan's Little Warriors proudly hosted the Rise & Thrive Teen Summit at InnoGrove in Elk Grove — and it was an incredibly successful and inspiring day for everyone involved.

Teens spent the day learning, growing, and connecting through hands-on experiences designed to strengthen confidence, mindset, and real-life skills. From financial literacy and entrepreneurship to STEM activities, emotional management, and DISC personality assessments, the summit provided practical tools teens can use right now — and carry with them into the future.

CELEBRATING OUR PARTNER ORGANIZATIONS

We are grateful to collaborate with partner organizations that share our commitment to supporting children and families. Throughout the year, their events provided meaningful opportunities for learning, connection, and community building. These gatherings helped children build confidence, engage in positive activities, and allowed families to feel supported and connected. Together with our partners, we continue to expand our impact and create experiences that uplift and inspire the communities we serve.

Disney on Ice Giveaway

Our Disney on Ice Giveaway brought smiles, excitement, and unforgettable fun to the kids and families who participated. The joy on the children's faces as they experienced the magic of Disney on Ice made this event truly special. We extend our heartfelt thanks to our generous sponsor, Golden 1 Credit Union, for making this opportunity possible. Your support helped create a memorable experience filled with laughter, wonder, and happiness for our Little Warriors.

Trick-or-Treat Walk: A Spooktacular Community Night

Logan's Little Warriors partnered with Red Dog Real Estate for a frightfully fun Night Before Halloween Trick-or-Treat Walk, and it was a huge success!

Families came out in costume to enjoy a safe, festive evening filled with smiles, laughter, and plenty of candy. Kids and parents followed the walking map, collected treats, and soaked in the Halloween fun while connecting with neighbors and community partners.

Events like this remind us how powerful simple moments of joy and togetherness can be. We're grateful to Red Dog Real Estate and everyone who joined us to make this free community event such a memorable night for our families.

Thank you for helping us create fun, connection, and community — one event at a time.

FILL THE LIMO: A NIGHT OF GIVING AND HOLIDAY CHEER

The 3rd Annual Fill the Limo event was a wonderful success, bringing our community together to spread joy and generosity during the holiday season.

Hosted by The Connections Group, the evening was filled with laughter, connection, and purpose as guests gathered to enjoy dinner, music, networking, and a silent auction — all while helping fill a limousine with new, unwrapped toys for children in need.

Thanks to the incredible support of our attendees, sponsors, and partners, proceeds from the event benefited Logan's Little Warriors and Keaton's Child Cancer Alliance, helping ensure more children experience hope, comfort, and joy this season.

We are deeply grateful to everyone who donated toys, attended the event, and supported this meaningful cause. Together, we proved that when a community comes together, generosity truly goes a long way.
