LOGAN'S LITTLE WARRIORS

GAME ON FOR CAMP: THE TOURNAMENT THAT CHANGES EVERYTHING

Get ready to serve with purpose. Logan's Little Warriors' 3rd Annual Pickleball Tournament is coming in hot this March, and this year every rally fuels something far bigger than the scoreboard. This isn't just a weekend of competition – it's the launchpad for our very first Kids Overnight Camp.

On March 21-22, the courts at Cosumnes River College will be packed with energy as Women's, Men's, and Mixed Doubles teams battle it out across multiple skill levels. Players will compete for medals, momentum, and bragging rights, all building toward Sunday's exciting Money Ball showdown. The atmosphere will be competitive, spirited, and community-driven – exactly what this tournament has grown to represent.

But the real victory won't be measured in points.

Every registration, every sponsorship, and every dollar raised goes directly toward funding Logan's Little Warriors' first-ever overnight camp experience for kids. This planned camp is designed to give children the opportunity to unplug from daily stress, connect with peers, build confidence, strengthen emotional resilience, and develop real-life skills in a safe and empowering outdoor environment. For many of these kids, it will be their first chance to experience camp – from campfires and team challenges to the simple joy of discovering their own strength.

The weekend also includes a free Pickleball Clinic open to kids and adults, welcoming beginners and seasoned players alike. Whether someone is learning their first serve or sharpening their competitive edge, this event is about growing the game while growing opportunity.

When players step onto the court, they're doing more than competing. They're helping build The Warrior Way. They're helping create moments that will shape confidence, friendships, and memories that last far beyond the final match.

This March, we invite our community to rally with us – to register, sponsor, volunteer, and show up in support. Let's pack the courts, raise the energy, and turn competition into connection.

Because the biggest win of all will be sending kids to camp for the very first time.

Game on!

WHERE REAL CHANGE BEGINS

Logan's Little Warriors partnered with Saint John's Program for Real Change to spend time with moms and children in St. Johns.

During our visit, we helped the mothers and their children create vision boards. They picked pictures and words that showed their goals and dreams for the future. Moms chose words that describe who they want to become. Children shared what they hope to be one day.

Taking time to think about the future is important. It helps families see what is possible.

When someone sits beside you and says your future matters, hope grows. Healing can begin.

We are thankful to Saint John's Program for welcoming us. We are also thankful for you. Your support helps us bring hope to families and create moments that lead to real change.

Founder's Message

Thank you for being part of Logan's Little Warriors. Your support allows us to serve our community, host events, and advocate for kids and youth who need encouragement and opportunity.

We hope you will join us at our upcoming events and see the impact firsthand. These gatherings bring our community together and create space for connection, support, and renewed hope.

You can also support our work by becoming an event sponsor. Your partnership helps us advocate for kids and youth, expand our programs, and create more opportunities for them to grow, heal, and succeed.

Thank you for believing in our mission. We are stronger because of you.

Kerrie Hill
