

LOGAN'S LITTLE WARRIORS THE WARRIOR WAY

EVERY STEP MATTERS: RUNNING WITH ALICIA 5K RUN

Logan's Little Warriors was proud to partner with Alicia Rodriguez and her Running Club for an unforgettable evening of movement and purpose. The Running with Alicia 5K was more than a race. It brought people together to support youth and remind every child they are surrounded by people who care.

More than 75 runners and walkers gathered at Keller Williams in Elk Grove on July 14 to support Logan's Little Warriors. Families, volunteers, local businesses, and partners showed up with one shared goal: investing in the future of our youth.

Every mile represented something bigger than a finish line. It represented connection and the belief that every child deserves opportunities to grow, build confidence, and know they never have to face life's challenges alone.

Thank you to our incredible sponsors whose generosity helped make this event possible. Your contributions allow Logan's Little Warriors to continue creating life-changing opportunities for youth and families.

Logan's Little Warriors was born from the deepest loss of my life.

After losing my oldest son, Logan, I didn't know how to move forward. The only thing that gave my pain purpose was helping children build confidence, self-esteem, and resilience.

My hope is simple: that one child will believe in themselves because someone believed in them first.

Thank you for helping make that possible.
