LOGAN'S LITTLE WARRIORS

NEW YEAR NEW BEGINNINGS

STAY TUNED FOR OUR UPCOMING EVENTS

As we welcome the new year, we are excited to look ahead to a season filled with opportunities to connect, give back, and make a difference. Logan's Little Warriors has several upcoming events in the works, each designed to bring our community together while continuing our mission to support children and families. These events will offer opportunities to engage, participate and show support for the programs that create a lasting impact in the lives of those we serve.

With this in mind, here are some of the events we host throughout the year, giving you a glimpse of the experiences and initiatives we have planned. We encourage everyone to stay connected and watch for upcoming announcements as more details become available. Whether you are joining us for the first time or returning as a longtime supporter, we look forward to sharing another year of growth, collaboration, and positive impact with you.

WOMEN AND CHILDREN PROGRAM

February 21

We'll be visiting a local transitional housing program that supports mothers and their children as they rebuild their lives. Volunteers will lead vision board activities and a hands-on STEM project with the moms and kids.

WARRIOR WAY COMMUNITY HIKE

March 8, from 9:00-12:00

Our Warrior Way Community Hike is a wellness-focused event centered on connection, movement, and mindfulness. This hike reflects the Warrior Way principles and is open to our community members who want to participate or help with planning and coordination. A great opportunity to support wellness and community connection.

LOGAN'S LITTLE WARRIORS FIRST OVERNIGHT KIDS CAMP

June 12-14

We are beginning the planning of our first-ever overnight Kids Camp, a major milestone focused on building confidence, emotional resilience, and life skills. Planning committee volunteers are now being formed.
