3rd Annual Pickleball Tournament: A Huge Success

Our 3rd Annual Logan's Little Warriors Pickleball Tournament was an incredible success, and it's all thanks to our amazing community.

We had 74 teams join us, bringing together a total of 148 players for a weekend full of energy, connection, and fun. The courts were filled with friendly competition, laughter, and unforgettable moments.

Beyond the games, what stood out most was the spirit of the event—people showing up, supporting one another, and being part of something bigger. It was a true reflection of what Logan's Little Warriors is all about.

Elk Grove Vice Mayor Darren Suen Visits the Tournament

We were honored to welcome the Elk Grove Vice Mayor Darren Suen to this year's tournament as both a valued sponsor and supporter of Logan's Little Warriors.

During his visit, he took time to walk the courts, connect with players, volunteers, and families, and experience firsthand the energy and impact of the event. He shared how meaningful it is to see the community come together in a way that promotes connection, wellness, and support for youth.

We also had the opportunity to share the larger vision and mission of Logan's Little Warriors—to one day purchase land and create a dedicated camp where we can continue serving kids, youth, and families through programs that build confidence, emotional awareness, and life skills.

His presence was truly appreciated and served as a reminder that when leaders, organizations, and the community come together, we can create something powerful.

Game. Set. Champions!

We are proud to celebrate the winners across all divisions. Each team brought their best to the court, and the level of play was incredible to watch.

Thank you to every participant who competed, supported, and made this tournament so special. Your effort, sportsmanship, and enthusiasm made this event one to remember.
