

LOGAN'S LITTLE WARRIORS NEWSLETTER

Continuing to Make an Impact with St. John's Program for Real Change

Building Confidence, Connection, and Emotional Resilience Together

This month, Logan's Little Warriors had the opportunity to return for our second visit with the incredible families at St. Johns.

During our visit, participants enjoyed a hands-on succulent activity that encouraged creativity, connection, and personal growth. As families planted and decorated their succulents, conversations centered around growth, resilience, and the importance of caring for ourselves the same way we care for the things we want to thrive.

Beyond creating their beautiful succulent arrangements, the women at St. John's spent time investing in themselves. We introduced them to the Warrior Way, a simple but powerful daily practice that helps build confidence, resilience, and hope through silence, affirmations, visualization, exercise, reading, journaling, and random acts of kindness.

Each participant received a Warrior Way tracking chart, a journal, and a copy of *The Miracle Morning* by Hal Elrod to support their journey. More importantly, they left with practical tools they can use every day to strengthen their mindset, develop healthy habits, and continue becoming the person they are meant to be. It was a meaningful reminder that growth often begins with small daily choices, and that every person has the ability to create positive change in their life, one step at a time.

Big Day of Giving

MAY 7

Our First Big Day of Giving

A Meaningful First Step Fueled by Community Support

On May 7, 2026, Logan's Little Warriors proudly participated in the Big Day of Giving for the very first time, and we are incredibly grateful for the love and support our community showed us along the way.

Thanks to the generosity of our donors, friends, and supporters, we raised \$1,360 through 8 unique donors using just one donation platform. Every donation, share, message of encouragement, and act of support helped make this first experience a meaningful one for our organization.

More than the amount raised, this reminded us that there are people who believe in our mission to equip youth and families with real-life skills, confidence, emotional resilience, and hope.

To everyone who donated, shared our campaign, encouraged others to participate, or simply cheered us on from the sidelines... thank you. Your support means more than words can express, and we are excited for what the future holds as our community continues to grow.

This was only the beginning.

Together, we are building something that matters.

Stay Tuned for our Coming Events

As we continue this journey, I am constantly reminded that Logan's Little Warriors is more than an organization—it is a family united by compassion, hope, and resilience. Thank you for believing in our mission and for helping us create meaningful moments for the children and families we serve. Together, we are making a lasting difference, one warrior at a time.
