Teens Rise and Thrive at Logan's Little Warriors!

Our heartfelt gratitude goes out to everyone who joined us for our first Rise & Thrive Teen Summit — an empowering and hands-on event held on November 8, 2025, at InnoGrove in Elk Grove, CA.

This event was created with teens in mind — to equip them with tools that help them understand themselves, build confidence, and get exposed to new ideas, skills, and opportunities.

A very special thank you to our sponsors, supporters, and volunteers. This event would not have been possible without your generosity, involvement, and commitment to empowering the next generation of leaders.

Every part of the day was designed to help teens take ownership of their growth and believe in what's possible for their future.

We're proud of every teen who showed up and grateful to all who made this event possible.

Thanks to your support, Logan's Little Warriors continues its mission of creating positive, practical experiences for youth — helping them rise, thrive, and lead with purpose.
